A continuance in the case of State vs. Tony Charles, charged with selling intoxicating liquor illegally, was granted by Magistrate H. W. Scott in city court today, the hearing being set for Wednesday, Dec. 22. A jury will be empaneled Tuesday afternoon at the request of the respondent's counsel and the hearing will be started at 9 o'clock on the following morning. R. A. Hoar has been retained by Charles, whose arrest grew out of a raid conducted by the police at his premises on Prospect street early in the fall, and Grand Juror William Wisbart will represent the state.

A hearing in the case of State vs. Mrs. Ernestine Jacques, charged with similar offense, has been set for the afternoon of Wednesday, Dec. 22.

It has been suggested by people who are interested in the municipal Christmas tree that is to adorn City Hall park during the holiday season that the balance of the fund subscribed for the tree be diverted to the City hospital. Among a large number of subscribers who have given generously to the municipal tree fund, the suggestion has found favor and it is not at all unlikely that it will be carried out. The finance committee is receiving substantial evidence of community interest in the Christmas tree, and while the expense incident to the project are not exactly light, the probabilities are that a nice balance will remain after all outstanding obligations have been cancelled.

Card of Thanks

We sincerely thank all our neighbors and other friends for their kindness during the illness and death of our beloved mother and grandfather; also for the many beautiful floral tributes.

Mr. and Mrs. J. T. Callaghan and daughter,
Mr. and Mrs. James Ahern and family.

Where Is Mother?
She has gone to her rest,
With the angels above.
Let us hope she is blest
In the mansions of love,
And the peace of the Dove,
And may she enjoy
That world better than this
Where there is no alloy
In God's kingdom of bliss.
